Background Checks

1. Does the Background Check have to be ordered through a Safety Council?
   Answer: Yes, S2Verify and First Advantage Background Checks must be ordered through a Safety Council to obtain the required Background Check Package Type.
   The S2 Verify "Daikin Package" is not graded, and does not meet requirements for this process.
   If questions about which Background Check Package to order, please call SCTC at 409-948-9009 ext. 8 before ordering the Background Check.

2. Does SCTC accept Background Checks ordered through another Safety Council?
   Answer: Yes, as long as the Background Check was ordered through a Reciprocal Safety Council and the Background Vendor who processed the order was S2Verify or First Advantage.

3. When does a Background Check expire?
   Answer: The Background Check expires after two years.
Facility Requirements FAQs

4. Does SCTC view or house the Background Reports?
   Answer: No, the Background Reports are viewable to the Client by logging into their Background Vendor’s account.

5. How long does it take for a Background Check to complete?
   Answer: The average length of time for a Background Check to complete is 1 to 3 business days. Please contact the Background Check Vendor for questions of completion times.
